

INFO 4001 THESIS A

Meeting Record

Student Name: Shimiao Sun

Supervisor: Dr Xi Wu

Date/Time: 26/08/2024 Monday 3-4 pm

1. Summary of progress from last meeting:

Briefly read the references from supervisor and have an approximate view of the research field. Did research on formal scenarios and WANET.

2. Items discussed during meeting:

Discussed the interests of my research topics with supervisor however still be confused on the exact topic I want to do for my project. Supervisor provides some useful methods and references to give advice on how to find my interesting topics efficiently.

3. To do for next meeting:

1. Glance at the title of articles in recent 5 years, and find top 5 interested topics.
2. Carefully read the content of top 5 interested topics and have a basic understanding of the ideas. Summaries the content briefly.
3. Introduce what I have learnt from the articles to supervisor on next meeting.

4. Date of next meeting:

02/09/2024 Monday 3-3:30 pm
